

Verifone V210 Quick Start Guide

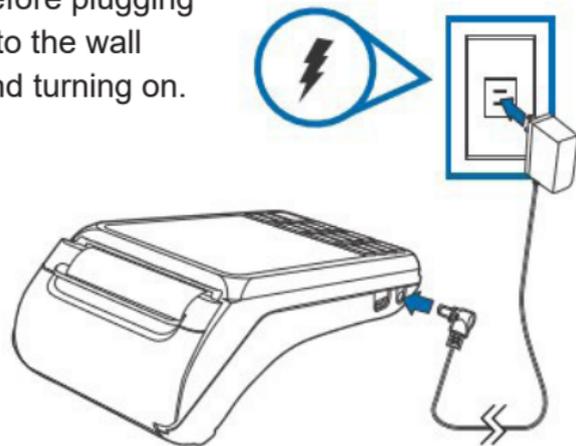

Get connected

Call our 24/7 technical helpdesk on **0800 EFTPOS (0800 338 767, option 2)** to set up Wi-Fi and/or activate your SIM card.

Charging your V210

Connect power supply to the terminal before plugging into the wall and turning on.

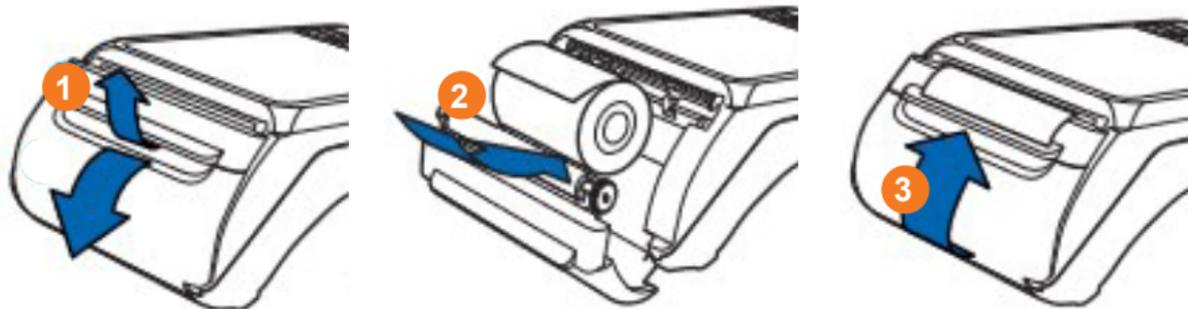

Changing your paper roll

Your terminal comes pre-loaded with a paper roll. To change the paper roll, open the paper roll compartment (1) by pulling up on the latch.

Load the paper roll with the edge of the paper feeding from the **top** of the roll (2). Pull a length of paper over the serrated cutting edge.

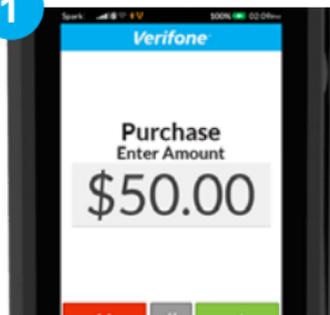

Close the paper roll compartment (3).
